

Comprehensive Case Management and Employment Program

About the Program

The Comprehensive Case Management and Employment Program (CCMEP) helps low-income young adults build career paths, find employment, and break the cycle of poverty. CCMEP services are specifically tailored to each individual.

From July 1, 2020 to June 30, 2021 there were 18,785 participants in Ohio.

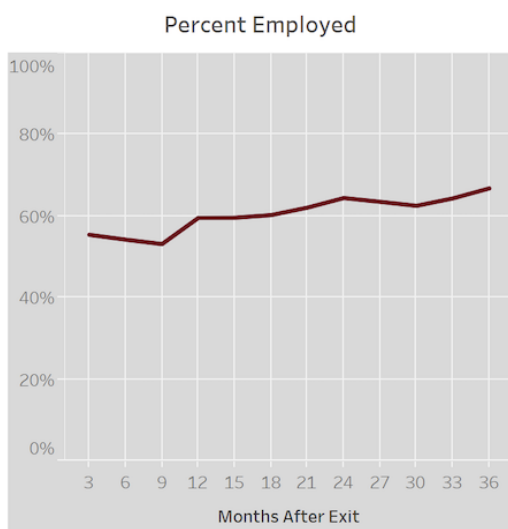

One-Year Outcomes

One year after their last CCMEP service, 62% of people were employed in Ohio, and 27% were employed with the same employer from six months to one year after leaving CCMEP. Of those who were employed, median annual earnings were \$14,700. Workers were most commonly employed in the Accommodation and Food Services, Administrative, Support, Waste Management, and Remediation Services, and Health Care and Social Assistance industries.

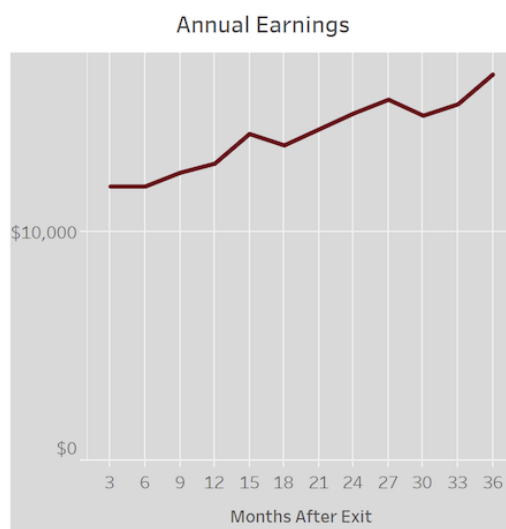

During their exit period and in the following year, 9% of people who left CCMEP in 2020/21 were enrolled in a public Ohio college and 1% had earned a credential at an Ohio Technical Center.

Employment Over Time

The charts below display employment patterns across a 3 year time period. For those whose CCMEP services ended in 2019/20 or 2020/21, employment in Ohio reached 55% 3 months after services and rose to 67% 36 months after services. Median annual earnings rose from \$12,000 3 months after services to \$16,900 36 months after services.

In the three years after leaving CCMEP, 53% to 67% of people were employed (Statewide, Overall).

In the three years after leaving CCMEP, employed individuals earned \$12,000 to \$16,900 per year (Statewide, Overall).
