

Vocational Rehabilitation - Youth

About the Program

Vocational Rehabilitation services assist people with physical, mental and emotional disabilities find and retain meaningful work and personal independence. Services are available to eligible Ohioans aged 14 years and older.

From July 1, 2020 to June 30, 2021 there were 14,828 participants in Ohio.

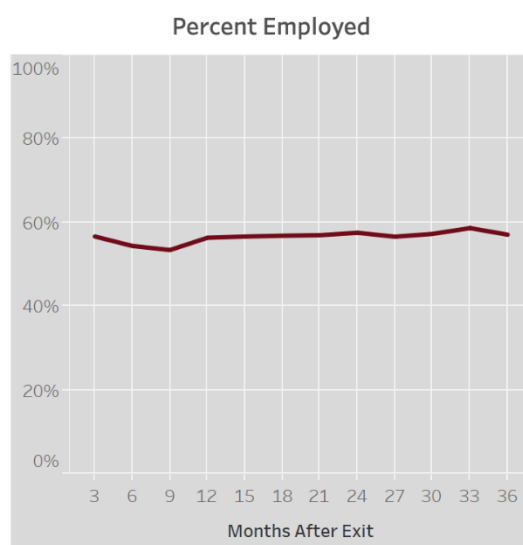

One-Year Outcomes

One year after completing Youth Vocational Rehabilitation services, 59% of people were employed in Ohio, and 59% were employed with the same employer from six months to one year after completing Youth Vocational Rehabilitation services. Of those who were employed, median annual earnings were \$14,000. Workers were most commonly employed in the Accommodation and Food Services, Health Care and Social Assistance, and Retail Trade industries.

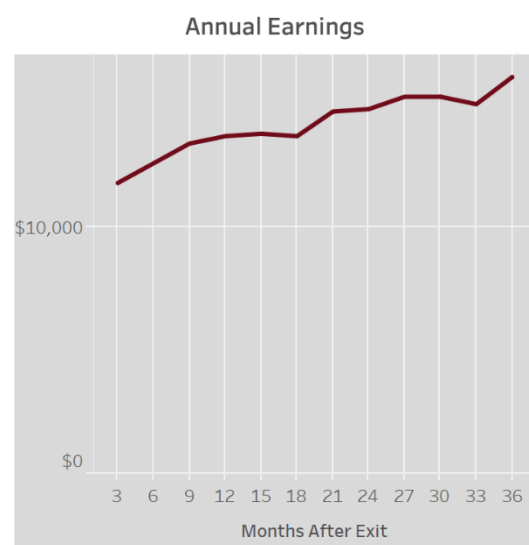

During their exit period and in the following year, 7% of people who completed Vocational Rehabilitation Youth services in 2020/21 were enrolled in a public Ohio college.
