

Workforce Investment Opportunity Act - Adults

About the Program

The Workforce Investment Opportunity Act (WIOA) Adults program provides services to improve skills and credentials to secure and advance employment for adults over the age of 18, particularly those with barriers to employment.

From July 1, 2020 to June 30, 2021 there were 5,131 participants in Ohio.

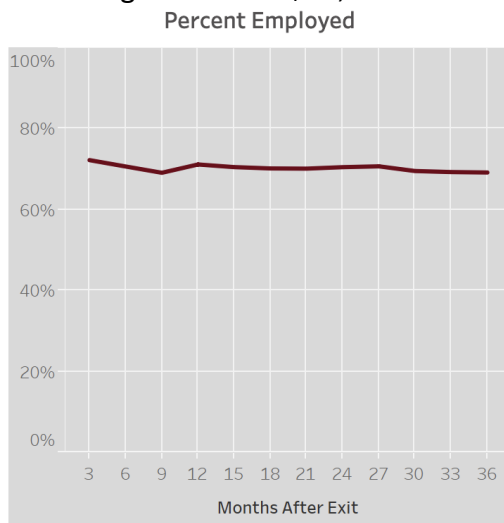

One-Year Outcomes

One year after their last WIOA Adults service, 74% of people were employed in Ohio, and 53% were employed with the same employer from six months to one year after completion. Of those who were employed, median annual earnings were \$38,200. Workers were most commonly employed in the Health Care and Social Assistance, Manufacturing, and Transportation and Warehousing industries.

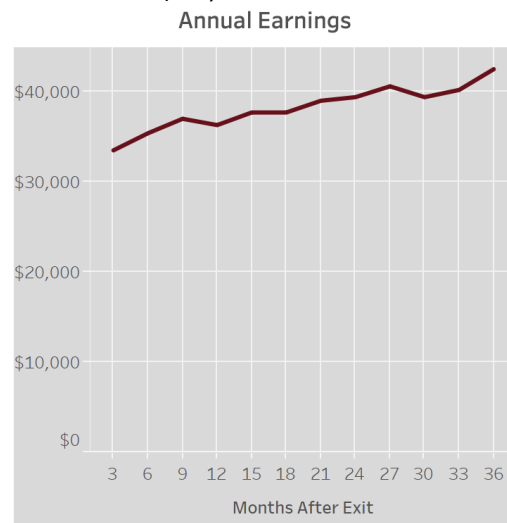

During their exit period and in the following year, 7% of people who completed WIOA Adults services in 2020/21 were enrolled in a public Ohio college and 5% had earned a credential at an Ohio Technical Center.

Employment Over Time

The charts below display employment patterns across a 3 year time period. For those whose WIOA Adults services ended in 2019/20 or 2020/21, employment in Ohio reached 72% 3 months after services and declined steadily to a low of 69% 36 months after services. Median annual earnings rose from \$33,500 3 months after services to \$42,500 36 months after services.

In the three years after leaving WIOA Adults, 69% to 72% of people were employed (Statewide, Overall).

In the three years after leaving WIOA Adults, employed individuals earned \$33,500 to \$42,500 per year (Statewide, Overall).
